Health Resort / Sanatorium `Cheremosh'

Western Ukraine (Lvov Region, Morshin)

Centrally located in Morshin resort, 3-4 storey buildings of the health resort / sanatorium Cheremosh are near mineral wells and the main SPA establishment of the resort. The sanatorium occupies 4 Hectares of Woodland Park. Cheremosh is a perfect place for family rest. It offers many activities for children and families including tennis, games and exercising in special sport grounds. There is a department of Maternity and Child's Care.

Cheremosh is the sanatorium specialized in treatment of gastrointestinal, liver, bile-excreting ducts and pancreas. Unique mineral waters of the resort are used as a principle treatment factor.

Morshin is one of the most popular health resorts of Ukraine for more than 130 years. Due to the special magnesium sulfate composition, its curative mineral waters restore liver cells. They are anti-inflaming for bile-excreting ducts; liver blood improving, metabolic improving. Morshin mineral waters are essential part of liver, intestine, stomach, pancreas and diabetes treatments.

Morshin is rated in the same line with a world-known SPA such as Karlovy Vary, Wiesbaden, Hunyady Yanosh. It offers effective and quality treatment.
