Health Resort / Sanatorium `Dniester'

Western Ukraine (Lvov Region, Morshin)

Health resort is situated in the central part of the town Morshin in a picturesque woodland park. Rest and treatment in Morshin come up with the world-known Ukrainian resorts due to fascinating nature of Carpathian Mountains, crystal clear mountain air and healing mineral waters springs. Morshin resort is recommended for the patients with gastrointestinal tract diseases and anacidity. Mineral water is a basic treatment. It produces wonderful medicinal effect for treatment of the liver, kidneys and metabolic abnormalities.
