Geneva SPA

Health Resort / Sanatorium

Carpathian Health Resort / Sanatorium Geneva is popular with guests from many countries due to traditional Ukrainian hospitality. Complex treatment of high quality is provided for the guests from many European countries. Conveniently located near mineral water pump rooms (5 minutes walk), Geneva is situated within the territory of an aged-old park. The park and the first SPAs of the area were founded by eminent Austrian doctors 200 years ago. Our guests are welcome to receive full range of health improving SPA treatments in the natural environment of the sanatorium Geneva.
